RANDOLPH.

It is generally expected that the Republicans of Randolph will support the Brainerd candidate for Senator from this part of Orange county.

Frank Campbell, William Avery and Fred Goodrich, who were the participants in a free hand drunken row on Pearl street last Sunday and who were taken to Chelsea Thursday, were given trial before Judge J. W. Rowell Saturday and were convicted of breach of the peace and were sentenced to a three months' term in the house of correction at Rutland. Papers have been made out for the party who furnished the cider that caused the disturbance and his arrest and trial may be expected this week.

Troubled Mind Reveals Murder.

Philadelphia, June 20.—A man who said he was William Gerstemeier of Soers, Germany, has surrendered himself to the police here and has confessed to having murdered a young woman in Berlin in February, 1901. Gerstemeier said the woman had repeatedly importuned him to marry her and that he, becoming exasperated, had cut her throat while she slept. He then dismembered the body and cast it into the River Spree. He accounted for the fact that the murder had not been discovered by stating that the woman was a restaurant employee and that women of her class are social outcasts, whose disappearance creates no comment. His conscience troubled him to such an extent, Gerstemeier said, that he was forced to give himself up to the authorities. His story is credited by the police.

Shooting Affray in St. Louis.

St. Louis, June 20.—Zach Mulhall, live stock agent of the St. Louis and San Francisco railroad, has shot three men. One of them, an innocent bystander named Ernest Morgan, is believed to have been fatally wounded. He was shot in the abdomen. The other men are Frank Reed, boss hostler of the Wild West show, and John Murray, one of the cowboys. They are being cared for at the Emergency hospital on the world's fair grounds, and the doctors say that Morgan will die. The shooting was the culmination of trouble between Mulhall and Frank Reed over the question of authority. The shooting occurred at the entrance to the show, just at the conclusion of a performance while the Pike was crowded with people, and great excitement was caused. Mulhall was locked up and bail was refused.

No Disorder in Finland.

St. Petersburg, June 20.—A solemn memorial service for General Bobrikoff, governor general of Finland, who was shot at Helsinki and died as the result of his wounds, was held at the ministry of the interior here. Much interest is manifested in the political results of General Bobrikoff's assassination. No disturbances have occurred in any part of Finland, nor do the authorities believe that there is danger of any demonstration of sympathy with the act of Schaumann.

The Fight in Tibet.

Gyantse, Tibet, June 20.—A force of 300 Tibetans attempted to intercept a British convoy. Four Tibetans were killed. The convoy arrived here safely. The Tibetans around Gyantse, according to the latest information, number about 8,000 men, and there are 7,000 between Kangma and Karola. The Tibetans' fort is receiving more brass cannon, and its fire is increasing in intensity.

Killed by a Pile Driver.

New York, June 20.—While being hoisted under the hammer of a pile driver in Brooklyn a heavy pile snapped its suspension chain and fell, crushing to death Richard Anderson and seriously injuring Charles Anderson, his brother, both of Jersey City, who were workmen employed on the pile driver.

A Queer Will.

Ingenuity runs to madness at times in the conditions imposed in wills. A trial in court some years ago was to test the legality of a will which stipulated that to inherit the prospective legatee must drink all the water in a certain sea. Fortunately for common sense the court awarded the legacy without stipulation.
